

MUSIC AREA OF CONCENTRATION, ARTS AND SCIENCES AA: 054

Total Credits: 66

Catalog Edition: 2020-2021

Program Description

(R): 054

The music curriculum is designed for the student who plans (1) to earn the bachelor of arts degree with a major in music; (2) to earn the bachelor of music education degree; (3) to earn the bachelor of music degree with a major in performance, theory-composition, or history-literature; or (4) to seek employment upon completion of the AA. Montgomery College is a community college member of the National Association of Schools of Music.

Completion of all requirements for this area of concentration will lead to the award of the AA in arts and sciences. In addition to the specific course sequence outlined in this section, the following department requirements must be met:

Music majors enrolled in applied music courses must also register for MUSC 150 - Applied Music Laboratory.

Students receiving the AA must perform in a graduation recital.

All applied music students must register each semester for MUSC 163, MUSC 166, or other ensemble, as assigned by the department.

The student normally takes 16-17 credit hours each semester, for a total of 65-66 semester hours. The actual courses taken each semester will be selected by the student in consultation with a music advisor. Courses are selected from those general subjects required for graduation (General Education foundation and distribution requirements) and those necessary for acquiring musical knowledge (music requirements).

Anyone wishing to major in music at Montgomery College must first complete an audition interview with a full-time faculty member in the Department of Music. A suggested course sequence for full-time students follows; part-time students as well as full-time students must consult an advisor from the department before registering for music classes.

Program Outcomes

Upon completion of this program a student will be able to:

Demonstrate a conceptual understanding of the fundamentals of music theory from basic notation and ear training through part writing and macroanalysis at the sophomore level.

Identify musical periods and styles from the Middle Ages to the present.

Demonstrate a level of proficiency in music performance/ education for transfer to a four-year program in music or for work in a variety of music related careers.
