Catalog Edition: 2021-2022

Program Description
(R): 055

This curriculum is designed for students seeking employment in the food industry. It provides students with a background in food and beverage management and costs, including an updating and/or upgrading of skills for workers already holding industry jobs. Students wishing to pursue a degree may continue in the hospitality management program.

Program Outcomes
Upon completion of this program a student will be able to:

• Demonstrate an understanding of the complexity of the hospitality industry as a whole.
• Explain general management theory as it applies to food and beverage management.
• Enter, with junior standing, a four-year university as a major in hospitality management.
• Enter a management training program in food and beverage management.
• Work effectively as a member of a team in a professional setting.
• Define and discuss exemplary customer service during in-class exercises.
• Demonstrate an ability to perform responsibilities in an ethical manner.
• Recognize and articulate the importance of diversity in the hospitality industry.
