

INTERIOR DESIGN--PREPROFESSIONAL AREA OF CONCENTRATION, ARTS AND SCIENCES AA: 102

Total Credits: 60

Catalog Edition: 2020-2021

Program Description

(R): 102

Students interested in interior design can earn an AA, an AAS, or a certificate (three certificates are available).

This transfer program offers beginning college-level courses for students who desire to continue study toward an advanced interior design degree. Content offerings will include concentration on general studies and interior design foundations, fundamental design, drawing, color, space planning, finish treatments, and professional business practices for interior designers. Technical development will include basic knowledge of drafting, historical topics, and presentation techniques for interior designers. Completion of all requirements for this program will lead to the award of the AA in arts and sciences.

Program Outcomes

Upon completion of this program a student will be able to:

Apply design principles and color theory in the execution of interior design projects.

Identify the correct textiles, materials, finishes, and furniture for specifications.

Collect and interpret the data necessary to solve interior design problems.

Demonstrate their understanding of one of the following: historic interiors, art history, or architectural history.

Apply interior design principles and ethics.

Execute presentation and construction drawings.

Demonstrate basic fine art drawing skills.
