

# GRAPHIC DESIGN WITH DIGITAL TOOLS CERTIFICATE

Total Credits: 29

Catalog Edition: 2025-2026

## Program Description

(R): 239

The Graphic Design program offers one degree (two areas of concentration) and one certificate. Areas of Concentration: General Graphic Design Area of Concentration, Graphic Design AAS: 304B and Illustration Area of Concentration, Graphic Design AAS: 305. Certificate: Graphic Design with Digital Tools.

Appropriate courses may be used toward development of marketable skills, for vocational interests, or for possible transfer. A student interested in any of the AAS or certificate curricula should consult an academic advisor in the Department of Media Arts & Technologies.

This certificate curriculum prepares the student for immediate employment in graphic design using the computer in today's digital art and design studio. Courses are designed to provide introductory to advanced training in the skills necessary to succeed as a professional in this industry.

## Program Outcomes

Upon completion of this program, a student will be able to:

- Demonstrate solid foundation skills and competency in a range of media, techniques, and knowledge of associated processes.
- Demonstrate visual problem solving that employs appropriate technical skills and techniques.
- Use a creative process to express ideas and concepts.
