PREPROFESSIONAL GENERAL AREA OF CONCENTRATION, INTERIOR DESIGN--PREPROFESSIONAL AAS

Total Credits: 60
Catalog Edition: 2023-2024

Program Description
(R): 306A

This program prepares students for entry-level positions in interior design and related professions with a general interior design concentration. Some students choose to continue their studies and have been successful transferring to four-year institutions with resulting portfolio. Emphasis is placed on the creative application of design principles, addressing environmental and human health and well-being, employing the design process, and developing effective visual communication and technical skills.

Program Outcomes
Upon completion of this program, a student will be able to:

- Communicate an understanding of trade and business issues, and professional practice standards.
- Utilize essential drafting, drawing, visualization, and software skills to develop and execute design projects.
- Demonstrate an understanding of codes, standards, and regulations that apply to interior environments.
