Program Description
This curriculum is designed to provide students with the skills necessary for junior or entry-level employment in the animation industry, or for transfer to another institution. Animation is widely used in broadcast media, gaming and simulation, motion graphics, web design, forensics, and medical technologies. As the animation industry grows so does the need for qualified professionals. Students in this program will explore animation concepts and gain hands-on experience using industry standard hardware and software and motion capture systems.

Program Outcomes
Upon completion of this program a student will be able to:
• Apply and incorporate the elements and principles of design within a digital graphic images and animation.
• Demonstrate visual problem solving that employs appropriate technical skills and techniques.
• Demonstrate a basic knowledge of the history of digital art and animation.
• Use industry standard hardware and software to produce and manipulate digital images and animation.
• Develop a script and prepare a storyboard for 2-dimensional and 3-dimensional animation.
• Analyze and critique graphic images and animation.
Suggested Course Sequence

A suggested course sequence for full-time students follows. All students should review this advising guide and consult an advisor.

GDES 242 - Animation 3: Motion Capture and Character Development 4 semester hours
TVRA 140 - Video Editing 3 semester hours

Natural Sciences Distribution with Lab 4 semester hours (NSLD)

Total Credit Hours: 60
* ENGL 101/ENGL 101A, if needed for ENGL 102/ENGL 103 or program elective.

‡ Program electives: Although this degree is designed to be completed in 60 credits, there are some scenarios that could result in more than 60 credits being earned. For example, if a student wishes to take two four-credit electives, they would have a total of 62 credits; if they choose one four credit and one 3 credit elective they would have 61. If the student selects two 3-credit classes-or-one 4-credit and one 2-credit then they would earn a total of exactly 60 credits. Please see an advisor in the Graphic Design program. Choose from the following with a minimum total of 6 credits for the two selections:

2-credit elective options: CMSC 100, GDES 269, GDES 285.
3-credit elective options: ARTT 103, ARTT 105, ARTT 206, GDES 121, GDES 135, PHOT 161.
4-credit elective options: GDES 214, TECH 190, TECH 290, TECH 225.

Students whose focus is on Gaming should select from the CMSC/TECH courses listed above.
