**Program Description**

The Integrated Studies Core allows students to explore a unique interdisciplinary combination of courses and disciplines. Students select 2 Cores and complete a minimum of 18 credits, 9 credits from each of the selected Cores.

**Program Outcomes**

Upon completion of this program, a student will be able to:

- Utilize and apply methods of inquiry from more than one disciplinary perspective in response to a problem, task, or experience.
- Apply quantitative and qualitative methods to demonstrate an understanding of the disciplines they have chosen to study.
- Communicate complex ideas using multiple modes of communication, including digital, written, oral and graphic communication.
- Articulate an academic or career-related plan that reflects an integrated, interdisciplinary view of their formal, co-curricular and personal learning and academic and career goals.
- Reflect on and assess their own learning as it applies themselves as scholars and engaged, global citizens.

Total Credit Hours: 60
* ENGL 101/ENGL 101A if needed for ENGL 102/ENGL 103, or select an elective.

** Behavioral and social sciences distribution (BSSD) courses must come from different disciplines.

*** Students must complete one global and cultural perspectives designated course as part of the General Education program.

‡ Students should attempt ENGL and MATH foundation requirements within completion of the first 24 credits of college-level work or at the completion of any prerequisite or required non-credit coursework.

‡‡ Any credit hours beyond the minimum General Education credit hours (31) or core courses are counted toward elective credit hours.

‡‡‡ Except CCJS 255.

‡‡‡‡ Students are limited to two PHED 100-level courses.

† Two General Education institutional requirement (GEIR) courses are required from the following General Education courses: COMM, HLTH, or one ARTD or HUMD. Students may only take one course from ARTD or HUMD to fulfill General Education institutional requirements.

NOTE: Exact semester credit counts may vary based on specific course selections.
