MANAGEMENT CERTIFICATE: 145A
Total Credits: 18
Catalog Edition: 2019-2020

Program Description
Credits earned in the management certificate and supervisory letter of recognition curricula may be applied toward an AA in General Studies. Students interested in a baccalaureate degree should enroll in the business transfer curriculum.

The Management Certificate curriculum provides students with the opportunity to learn the concepts and principles of management. The program structure allows students to focus on a preferred field of study, and the opportunity to pursue particular academic and professional interests and goals in management. A grade of C or better is required for each course.

Credits earned for the management certificate and supervisory letter of recognition may be accepted toward an AA in general studies. Students interested in a BS or BA degree in business should enroll instead in the business AA degree 006.

THIS PROGRAM IS NO LONGER ACCEPTING ENROLLMENT.

Program Outcomes
Upon completion of this program a student will be able to:

• Explain, identify, and relate the four functions of management to everyday business operations.
• Explain the importance of human resource management and describe and apply the human resource core functions necessary for diverse organizations.
• Apply decision making processes to business situations and analyze managerial problems.
• Identify the legal issues that impact business organizations and explain the importance of ethics and corporate social responsibility.
