Program Description

This program of study is for the student preparing to enter the lodging and food service industry in a supervisory and management capacity. The curriculum contains a core of required courses and general education requirements. Students can customize their remaining studies by taking one of two areas of concentration: food and beverage management and management/supervision.

Program Outcomes

Upon completion of this program a student will be able to:

• Demonstrate knowledge of the broad scope and complexity of the hospitality industry.
• Identify key components of exemplary customer service and explain how hospitality employees perform responsibilities in an ethical manner.
• Explain the importance of respecting and promoting diversity, and demonstrate cultural competency in the hospitality industry.
• Demonstrate ability to work individually or in a team to effectively identify, assess, and generate solutions for managerial challenges in the hospitality industry.
